Help for Heroes gratefully acknowledges the generous donation of **£100.00** from

District of Surrey "Allied Masonic Degrees"

Your generosity is very much appreciated. As a new charity run on a largely voluntary basis with most of our overheads covered by sponsorship, we ensure that your donation goes toward the cause rather than into administrative overheads.

We have reached our target of £6million to fund the building of a swimming pool/gym complex at the tri-service rehabilitation centre, Headley Court near Leatherhead in Surrey. Work commences in November this year and is due to be completed in December 2009.

Our fundraising continues and our next project to benefit wounded servicemen and women will shortly be identified following discussions between the Help for Heroes' Trustees and the MOD.

If you wish to keep up-to-date with our progress, all the latest information relating to our appeal can be found at www.helpforheroes.org.uk.

Once again thank you so much for your donation, it is hugely appreciated and very much needed.

Thumbs up!

Yours sincerely

*Thank you very much.
It will be well spent providing
our Brave wounded with the
facilities and help that they need*

Si
